

# Sr Hi Winter Retreat

For teens in grades 9 thru 12

@ Windsor Hills Retreat Center, Hillsboro, NH

**January 14-16, 2011**

**\$50 deposit required w/registration + skiing fee**

**Bring along your tubes, hockey sticks, football, outdoor winter clothes and everything you need for great fun in the snow!!**

## HOW THE RETREAT WORKS

**HOUSING:** The first 75 people to register will stay in the Inn (4 to a room). The rest stay in Burgess Hall. Be sure to list a roommate preference on registration form.

**Friday Night: Registration is 6 pm -8 pm.** After some preliminary fun, we start with a great worship band and an exciting speaker. The retreat starts at 8 pm, so eat dinner before you come or on your way here.

**Saturday:** We eat breakfast followed by a morning service. After that the fun will proceed until lunchtime, when we will break for food. There will be some discussion groups meeting after lunch covering some different topics, but by 2 pm, the agenda will be fun and games for the rest of the day.

Those going to Pat's Peak will pack up for the short drive to the Peak (about 20 minutes). Those remaining will launch into the activity choices—everything from indoor sports and games to outdoor craziness. We plan to carve out an ice rink for winter boot hockey. By dividing the retreat group into four or five different components, there will be plenty of fun for everyone. Bring your tubes, snowshoes, lots of gloves, as well as sneakers and whatever you need for volleyball, basketball, etc. Hopefully, for those who love the outdoors, we'll have a campfire on Saturday night!

**Sunday:** After breakfast, we'll clean up and then have a worship service. The retreat ends after lunch on Sunday (1 pm)

### Skiing at Pat's Peak

**\$40 Per person due along with rental form and registration form.**

**Includes lift ticket & equipment rental for Saturday, 3-9pm. You may switch equipment between skiing, snowboarding and tubing!**

\* **Helmet rental —\$8.00**
