

The Inn at Windsor; Central Area, First and Second Floors

The Inn at Windsor is the premier retreating facility at Windsor Hills. The central area contains 18 hotel-like rooms. Two of these rooms are fully handicapped accessible, while two additional rooms are furnished to be elderly friendly. Rooms are air-conditioned, have private baths, and most are equipped with two queen-sized beds. Towels and linens are furnished. A 200 seat sanctuary/meeting room is included in the building at no additional cost to retreaters.

The Inn may be reserved by groups of 20 or more; larger groups of 35 or more have the option of adding the Renewal Wing to their reservation. This attached suite has a large meeting room, kitchenette, and four more hotel-like rooms. All retreats scheduled in the Inn receive their meals in the WH dining hall.
